Annual Conference is valuable time spent in training, learning, growing, networking, ministering to each other, and skill-building for service in any camp capacity. It offers powerful plenary sessions, workshops, insightful discussions and reviews trends and issues in camping.

*Your financial gifts can influence the impact in campers' lives, as you help train counselors, activity leaders, directors, and board members.*

"I have so many new ideas I can't wait to talk to churches and our camp staff and put all my ideas in place." (2014)

*"Every time I attend conference I get energized and come back to my camp with new and helpful information." (2014)*
